

## **Guidelines for using the pool during the COVID19 Pandemic.**

1. If you have traveled to or from the state of Florida within the past 14 days please follow executive order 20-86 issued by the governor of Florida and self-quarantine for 14 days prior to using the pool.
2. Residents only - No guests (including family) - the only exception will be for caregivers and they must be accompanied by the resident.
3. No more than 10 people at the pool at any given time.
4. No social gatherings.
5. Maintain social distancing. Six feet or more.
6. Please refrain from moving chairs that have been placed around the pool.
7. Food and beverage for personal consumption only.
8. **Wipe down surfaces after use with disinfectant.** These surfaces would include but are not limited to tables, chairs, gates, rails, bathrooms. A spray bottle with disinfectant and paper towels will be available for use. Feel free to use your own disinfectant wipes or cleaners.
9. The Pool will be open from sunrise to sunset.
